Skills

Computer Literate

Programming

HTML 5

CSS3 & a little SASS

Knowledge on JS

Knowledge on Wordpress

Knowledge on Bootstrap

Knowledge in Networking

Personal Information

Nickname: Ramon

Birthdate: Dec. 26, 1999

Civil Status: Single

Citizenship: Filipino

Height: 168 cm

About Me

I am a fresh graduate student from Lyceum of the Philippines University - Batangas. Personally, I would like to pursue the front-end web developer career because it is enjoyable to do even if I get stuck from bugs. The only downside is, I spend a lot of time everytime I work on a project. I think I will learn a lot from colleagues from work, and it will be very helpful to make me a better programmer.

Educational Background

College

2018 - 2022

Lyceum of the Philippines
University - Batangas

Senior High School

2016 - 2018

Maryhill College

Junior High School

2012-2016

Maryhill College

Elementary

2006-2012

Zaballero Subdivision
Elementary School

Internship Experience

500 Hours

Erovoutika Robotics and Automation Solution

Intern at Innovation Team (Mostly about Crypto)

Self-Study

65.5 Hours

The complete 2022 Web Development Bootcamp
Udemy

5 Hours

The Odin Project

Free open source coding curriculum

5 Hours

Harvard CS50

Introduction to Computer Science from Harvard
